CRAFTLINE

Making every visitor feel welcome when seated, **CRAFTLINE** is an extremely comfortable multi-purpose chair. Showcasing the finest workmanship in intricate detailing, it provides luxury guest seating for short term seating, needs in private offices, reception areas or conference rooms. **CRAFTLINE** heralds a new era of visitor chairs that is as powerful as its name.

1. BACKREST Premium quality leather finish and fine stitching workmanship define the high standards, contoured backrest of injection molded foam provides solid and durable backing. **2. ARMREST** Boxed-like of custom made metal frame with injection molded foam armrest is sturdy and provides solid support when user rises from chair. **3. POLYURETHANE MOULDED FOAM** High density polyurethane moulded foam comes with fire retardant feature, gives the seat flexibility to comfort user, provides great support and best comfort even for long seating hours. **4. MULTI LOCKING MECHANISM** Point synchronized mechanism with multi-locking system, makes it possible to achieve perfect balance in every seated position. The synchronized adjustment of the backrest and seat in the ratio of 2:1 ensures complete comfort. **5. SLEEK ALUMINIUM CHAIRBASE** 5 pronged die-cast aluminium polished base provides an alternative finishing to user. **6. NYLON CASTORS** 60mm dual-wheel castors are designed for easy manoeuvring.
